

Do Now

Have you joined the Math Groups on School Loop?

Go to sfusd.edu

- Click on “School Loop” in the upper right hand corner
- Find your school
- Click on “Login”

Once you are in School Loop:

- Click on “Groups” in the upper right hand corner and select “Join/Create Groups”
- Type “math” in the lookup field
- Click on the name of your group (E.g. Grade 4 Math)
- Click on “Join this Group” in the upper right hand side under “Toolbox”
- Now go to your lockers. The units from your group will be there!

Have you visited the SFUSD Math website?

Go to sfusdmath.org

- Read about the Three Signature Strategies under the Curriculum tab, then click on Math Teaching Toolkit.
- See what’s available for Students.
- See what’s available for Parents.
- Learn about the Math Core Curriculum revision process under Curriculum tab.
