

BTSA/Induction and Mathematics Collaborative Grades K-5

“We are math learners together”

Do you feel the need to deepen your own math content knowledge?

Are you interested in exploring strategies to promote a higher level of math learning in your classroom?

Want to have fun doing math with like-minded peers?

Join us on Wednesday, March 9th for a BTSA/Math kick-off in a safe collegial environment.

You will have opportunities to:

- Learn math through problem solving.
- Network with other new teachers and their support providers
- Take away strategies, activities, ideas to use with your students

Enjoy delicious snacks and get Prop A hours for attending.

Pick up math materials to use in your classroom!
