

**Errors are gifts
that promote
discussion.**

**Answers are
important, but
they are not the
math.**

**Talk about each
other's thinking.**

**Ask questions
until ideas
make sense.**

**Use multiple
strategies and
multiple
representations.**

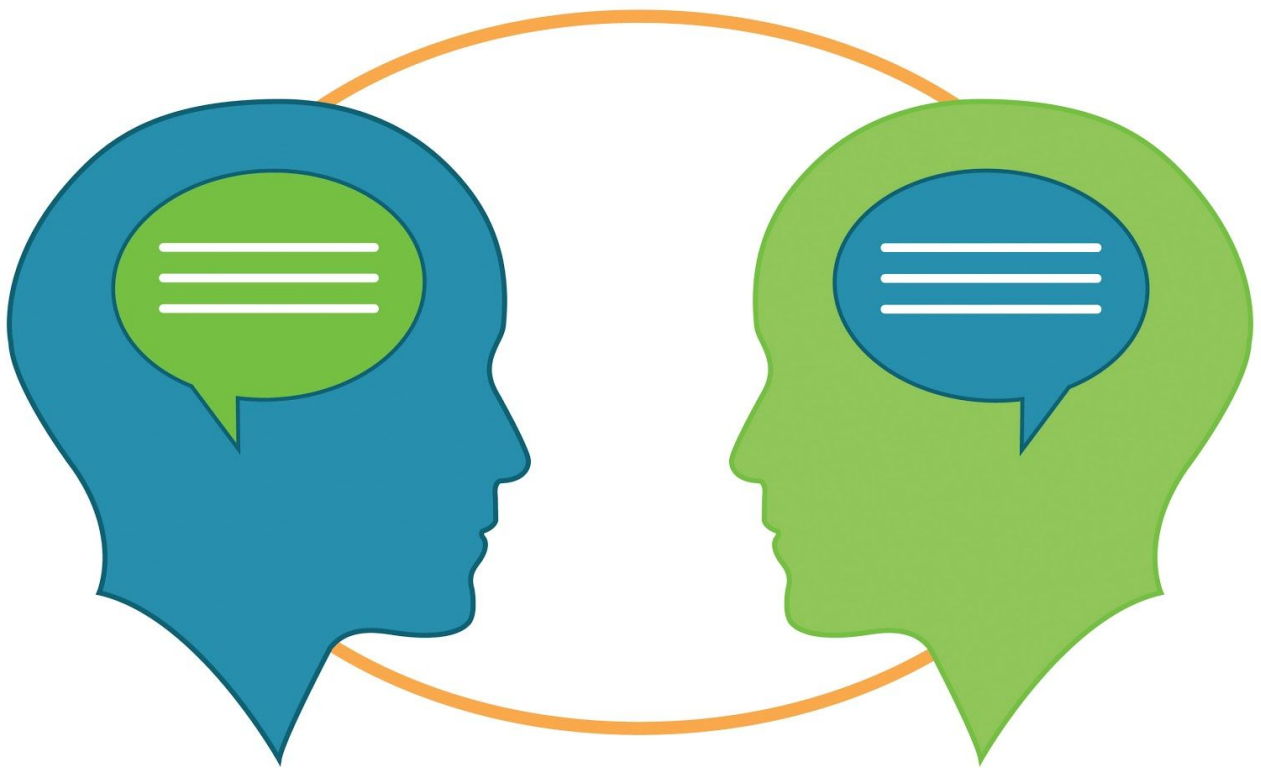

Errors are gifts that promote discussion.

**Answers are important, but they
are not the math.**

Talk about each other's thinking.

Ask questions until ideas make sense.

Use multiple strategies and multiple representations.
